This year's General Assembly session resulted in the passage of several pieces of legislation that will impact procurement and employment laws in Maryland.

**THE RULES HAVE CHANGED! DON'T MISS THIS CRITICAL SEMINAR!**

## WORKPLACE FRAUD ACT OF 2009

This bill will have a direct impact on contractors who hire independent contractors. ABC was successful in removing most of the more egregious aspects of this bill, but there remain serious fines for employers who misclassify their employees.

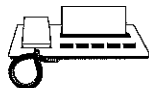

## APPRENTICESHIP TRAINING PROGRAMS

The bill establishes a State Apprenticeship Training Fund and requires that contractors bidding on state projects either participates in an apprenticeship program or make cents per-man-hour contributions to the fund.

## MARYLAND'S NEW CRANE REGS; STEPPED-UP ENFORCEMENT OF STATE PREVAILING WAGE LAWS; FLEXIBLE LEAVE ACT & MORE!
